EMPLOYMENT OPPORTUNITIES Post year 12 in Telecommunications

If you are a year 12 students looking for employment after December 9th can you please follow the link below to submit your expression of interest.

You may be aware of NBN roll out and the potential opportunities that exist in the telecommunications industry.
The National Broadband Network (NBN) is an Australian Government initiative to provide high-speed broadband access to 100 per cent of Australian homes and businesses, through a combination of fibre, wireless and satellite technologies.
To bring Australia into the digital future, supporting businesses and communities across the country and driving economic growth, Visionstream is NBN’s delivery partner in providing design, construct, commissioning and integration of this critical infrastructure.
